Sir:

In response to the Notice to File Missing Parts of Nonprovisional Application ("Notice") mailed on August 6, 2001, a copy of which is enclosed, and in connection with the above-identified application, Applicant hereby authorizes the United States Patent and Trademark Office to charge the required fee for filing the above-identified application to Pennie & Edmonds LLP Deposit Account No. 16-1150. The application fee is estimated to be \$395.00, not \$920, since Applicant has asserted small entity status. The above-identified application is a continuation of U.S. application Serial No. 09/067,398, filed April 28, 1998, which is a continuation of U.S. application Serial Number 08/502,519, filed July 14, 1995, now U.S. Patent No. 5,780,027. A Verified Statement Claiming Small Entity Status was filed on July 14, 1995 in the United States Patent and Trademark Office in connection with U.S. Application Serial No. 08/502,519. The Utility Patent Application Transmittal filed on April 30, 2001 as part of the above-identified application indicated that the Verified Statement Claiming Small Entity Status filed in connection with the U.S. Application Serial No. 08/502,519 was still proper and desired. In support this fact, Applicant encloses herewith as Exhibit A: (1) a copy of the Utility Patent Application Transmittal filed as part of the above-identified application; and (2) a copy of the Verified Statement Claiming Small Entity Status
